TRADERS' PACK

29 & 30 June 2019

The Raptor Fair was established in 2014 and since then has grown into the premier event of its kind in the north of England. Held in the grounds of the National Centre for Birds of Prey in Helmsley, North Yorkshire. It is a specialist falconry show devoted to showcasing the very best of everything associated with birds of prey and falconry in the UK and abroad. The Fair is designed to appeal to falconers, their families and anyone with an interest in this ancient sport.

Visitors also get full access to the National Centre for Birds of Prey. We believe this makes the Raptor Fair exceptional value for money and will ensure a good attendance.

By bringing together high quality equipment manufacturers, falconry clubs and raptor experts

we will enable visitors to engage face to face with their suppliers, instead of trawling through the internet with the risks that entails.

The National Centre for Birds of Prey is located within the grounds of Duncombe Park, the only stately home within the North York Moors National Park.

The site is only a 10 minute walk from the market town of Helmsley (www.visithelmsley.co.uk). Helmsley

provides a wide range of hotels, B&Bs, bars and restaurants. Helmsley is the main tourist hub of the North York Moors National Park. The Park attracts in the region of 7 million visitors a year and 34% of these visitors come to Helmsley.

A basic camping area will be provided so visitors can come for the whole weekend. A BBQ will be available in the centre's grounds on the Saturday night. A (free)

camping area for the use of exhibitors is available. Please note that the Fair is held within the grounds of the National Centre for Birds of Prey – therefore no dogs are permitted within the centre grounds. However the surrounding parklands provide excellent dog walking. A mews will be provided for **prebooked** hawks. No hawks on stands please
